This will help you communicate any updates to the platform.

<b>SmartForce</b>	Product Name for NGA
<b>Valiant Mobile</b>	Valiant's Mobile App for Android and iOS
<b>Legacy</b>	Vision and Vault Platforms

FEATURE/APPLICATION	DETAILS OF THE RELEASE ITEM	PLATFORM
<p><b>Shift Posting in TLM</b></p>	<p>We have released the first phase of our comprehensive shift posting feature within SmartForce TLM. This feature expands the ability to open up shifts to a larger number of people. This feature is extremely beneficial for companies that work on more event-based schedules.</p> <ol style="list-style-type: none"> <li><b>Create New Shift Offers:</b> Supervisors can create Shift Offers for a given time period, and hold these offers or send immediately</li> <li><b>Employee Notification on Shift Offers:</b> Employees are able to receive notifications on new shift offers and Review, Accept or Decline these offers on Web or Mobile.</li> <li><b>Employees Can Review, Accept and Decline Offers:</b> Employees are able to view all open Shift Offers and Accept and/or Decline as they wish.</li> <li><b>Shift Offer Management:</b> Supervisors can then review all employee shift offer responses and accept or decline them.</li> <li><b>Modify the Shift Offers:</b> Supervisors can split shifts, change shift times and remove openings with pending offers – then lock the schedule with all published offers</li> </ol>	<p>SmartForce</p>

FEATURE/APPLICATION	DETAILS OF THE RELEASE ITEM	PLATFORM
		
<p><b>Single Sign On (SSO) Capabilities</b></p>	<p>We've now added a new feature to enable Single Sign on with other platforms through our SSO partner. This enables Single Sign On as an option for SmartForce client logins as well as self-registration and login to the Employee portal. (ESS)</p>	<p>SmartForce</p>
<p><b>Reporting and Analytics – New Reports Added</b></p>	<p>We've added a few additional reports from our legacy system to SmartForce:</p> <ol style="list-style-type: none"> <li>1. Customer Schedule</li> <li>2. Customer Schedule by Day</li> <li>3. Employee Schedule</li> <li>4. Employee Schedule - Multi Week</li> <li>5. Employee Schedule (Page Breaks)</li> </ol>	<p>SmartForce</p>
<p><b>UIX Updates</b></p>	<p>We made a few tweaks to the User Interface for better usability:</p> <ol style="list-style-type: none"> <li>1. <b>Mobile-Friendly Self-Registration:</b> We've updated the Self-Registration pages to be mobile browser friendly</li> <li>2. <b>Menu Updates:</b> Add "Payroll Adjustment" sub-menu to TLM and updated the "More" menu on Schedule details</li> <li>3. <b>Page Design:</b> Updates to the Headers, footers, Headlines on pages, Dashboard quick links, Filters and more.</li> <li>4. <b>Learning Center:</b> UIX changes to the Learning Center, as well as the ability to do a password reset from this page</li> </ol>	<p>SmartForce</p>
<p><b>Compliance Updates – Form 941</b></p>	<p>Important to our customers is our compliance updates and the forms and reports we provide to assist in filings and statements. This release the primary updates surround the new changes to the 941 form which are for quarterly tax returns for Q2 2020. A combination of form changes and COVID-19 related changes have been made to the 941 and the MasterTax utility.</p>	<p>SmartForce and Legacy</p>
<p><b>Updates to Trackforce Integration</b></p>	<p>We've made updates to our integration with Trackforce GuardTek Solution to ensure that the Time Zones are synced properly</p>	<p>SmartForce</p>

FEATURE/APPLICATION	DETAILS OF THE RELEASE ITEM	PLATFORM
